COVID-19 STATEMENT

Healthy Acadia's offices are currently closed to the public due to COVID-19. Our continued focus and priority is the health and well-being of our communities. Though some events and programming have been put on hold, we are continuing to provide community health programming, services, and supports virtually.

Click here to subscribe to our new YouTube channel.

Subscribe to our weekly e-newsletter to learn about upcoming programming and events.

For additional updates, visit our What's New! section, follow us on [Facebook](#), [Instagram](#), and [Twitter](#).

To reach us by phone:

- 140 State St., Ellsworth: 207-667-7171
- 24 Church St., Ellsworth (Recovery Programming): 207-412-2288

For all other program areas, please call our office lines in Ellsworth and Machias. You may also email any of our staff directly or send your email inquiry to info@healthyacadia.org.

We encourage all community members to help prevent the spread of COVID-19 (also known as novel coronavirus) by staying informed and following the safety recommendations provided by [Maine CDC](#).

Wash your hands regularly. Practice physical distancing and social solidarity.

Stay home as much as possible and especially when unwell.

Protect others - please wear a face covering when in public.

And take good care of yourself and your loved ones!

- For answers to questions about COVID-19 case numbers, travel advisories and other general issues at any time, we encourage all Mainers to utilize 211, either by dialing 211, by texting your ZIP code to 898-211 or by emailing: info@211maine.org.
- Please call your doctor or the Maine CDC with specific COVID-19 medical questions.
- If you are facing an emergency, please call 911.

Be well and stay safe!

~ The Healthy Acadia Team
