Please read the following paragraph carefully. Both the student and the student's parent/guardian must sign showing that both have read the paragraph, understanding the contents, and agree with the paragraph.

*We have reviewed the materials describing the DownEast Teen Leadership Camp, and understand the purpose of the camp and its follow-up program. We have reviewed the camp and dorm rules, understanding them, and accept them. Finally, we realize that DETLC will give students a Pre-Survey and Post Survey at camp, and a follow-up Survey in late May/early June. This Survey is to gather information regarding student's use of alcohol, tobacco, and other drugs, as well as student attitudes toward substance use and student association with peers using alcohol, tobacco, or other drugs. This information is gathered confidentially, and is used only to measure the success of DETLC in positively impacting these areas. We agree to participation in this Survey with the understanding that all information is confidential and de-identified, and will be used only for the purpose stated here.*
