

Community Health Coordinator – Washington County

Healthy Acadia, a community health coalition serving Maine's Hancock and Washington counties, seeks an experienced community professional to join a dynamic team passionate about making it easier for all people to lead healthier lives. Reporting to the Community Health Director, the Community Health Coordinator fosters collaborative partnerships and delivers health promotion programs that prevent tobacco use, substance misuse and addiction, with a focus on youth and young adults. The right individual must be highly motivated, be a facilitative leader, and have excellent communication, mobilization and community relations skills. Familiarity with local communities is a plus.

Responsibilities: Community outreach, education and promotion of tobacco and substance use prevention resources and opportunities with schools, municipalities, social service agencies, law enforcement, health care providers and other venues. Evidence-informed substance prevention activities may include delivery of prevention education and awareness campaigns to schools and communities and promotion of environmental strategies to reduce access to substances, including alcohol, marijuana, prescription drugs, and opioids. May also include tobacco prevention strategies and activities including prevention of tobacco initiation, prevention of second hand smoke exposure, and promotion of tobacco treatment. Perform monthly program monitoring and online reporting.

Qualifications and Experience Sought:

- Experience with evidence-based public health prevention work and policy & environmental strategies for community change, particularly in the areas of substance & tobacco prevention.
- Ability to attend a 4-day Substance Abuse Prevention Skills Training (SAPST) and work toward Prevention Specialist Certification if not already certified.
- Highly self-motivated, ability to work independently from office or community.
- Ability to set and keep deadlines, and to develop and follow own work plan.
- Ability to work on multiple projects concurrently and to prioritize work.
- Warm, personable and approachable. Ability to work with diverse people, and to build and maintain strong working relationships with diverse partner organizations.
- Strong communication skills; ability to listen well, speak and write effectively.
- Ability to manage and disseminate information effectively.
- Team player with high professional standards, positive attitude and flexibility.
- Bachelor's degree in a related field preferred, with a minimum of 2 years experience delivering related community-based or public health programs or services.

This is a 30-40 hour/week position with competitive salary, benefits and opportunity for growth. Vehicle & regular travel throughout Washington County required; some statewide travel and occasional weekend and/or evening meetings expected. To apply: Email in a single attached document a cover letter, resume and contact information for three professional references to: jobs@healthyacadia.org. Deadline for application is 5:00 pm, May 31, 2019; or when suitable candidate is found.

Healthy Acadia is a 501c3 charitable organization. We provide equal opportunity to all applicants and employees regardless of race, color, religion, national origin, sex, age, sexual orientation, physical and mental disability, veteran status, or any political or union affiliation.
